

Dear Event Organizer:

Thank you for your interest in hosting a fundraising event on behalf of A Child's Voice® Foundation and its programs: Angel Hair for Kids® and Kids Life-Line™.

A Child's Voice® Foundation is a national not-for-profit organization dedicated to creating and managing programs that tangibly support and enhance the physical and emotional well being of financially disadvantaged children in Canada who are facing an illness or disability by providing them with products and services not otherwise provided by insurance plans, levels of government or other organizations.

Currently, the foundation and its programs rely solely on the generosity of public and corporate donors, and the fundraisers it holds annually. We do not receive any funding from the government or any other charitable organization. Fundraising events like yours help to provide the necessary support we need.

Caring for a child who is sick or disabled is not only emotionally challenging but can be financially devastating and it is our hope to make things a little easier for these children, their family and caregivers. Through our programs, we are able to extend a hand to those in need and help them through a difficult time. Many times, A Child's Voice® Foundation is their only hope.

Through the **Angel Hair for Kids®** program we turn donated hair into wigs for children who have lost their hair due to medical conditions and treatments. These wigs and related services are provided at no cost to children or their families. The **Kids Life-Line™** program provides a sick or disabled child with an immediate, essential and sometimes critical product or service. We have provided medications, small medical equipment, special transportation and much more.

Please find enclosed an **Event Application Form** along with **Terms and Conditions** outlining important information about hosting an event and/or raising funds for A Child's Voice® Foundation. Once your application has been approved by the foundation we will send you supporting documents that you will need for a successful event.

Thank you for supporting A Child's Voice® Foundation, a place "**Where Kids Come First!**"

Sincerely,

A handwritten signature in blue ink that reads "R. Yearwood".

Child's Voice® Foundation is a national not-for-profit organization dedicated to creating and managing programs that tangibly support and enhance the physical and emotional well-being of financially disadvantaged children in Canada who are facing an illness or disability.

Since the doors opened in 1995, the foundation has worked to improve the lives of children across the country through its signature programs: **Angel Hair for Kids®** and **Kids Life-Line™**. These unique programs provide children with necessary products and services not otherwise provided by health care plans, levels of government or other organizations.

By working directly with health and social care professionals, the foundation is able to reach children who are falling between the cracks and have nowhere else to turn. The financial challenges that arise when caring for a sick or disabled child can be overwhelming and A Child's Voice Foundation is determined to provide the necessary care and support when all other doors have closed. Our focus is to provide assistance that will enhance the quality of a child's life and have a lasting, long-term effect. All applications received are assessed on an individual basis and the child is placed into the program that will best fit their need.

Our Mission

To support and enhance the physical and emotional well-being of disadvantaged children by providing products and services not otherwise provided by levels of government, insurance or other organizations. We strive to fill in the cracks, bridge the gap and open a door when all others have closed.

Our Vision

Our vision is for every child in Canada to receive the tangible support that they need to improve their quality of life.

Our Values

We are committed to conduct ourselves with compassion, integrity and respect working in harmony with our community to fulfill our mission and vision.
